Using the Geographic Area Guide found on HUD's website at <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>. List the name and the six-digit geographic code number for **every** city and/or county participating within your CoC. Because the geography covered by your CoC will affect your pro rata need amount, it is important to be accurate. Leaving out a jurisdiction will reduce your pro rata need amount. For further clarification, please read the guidance in Section III.C.3.a of this NOFA regarding geographically overlapping CoC systems.

## CoC Structure and Decision-Making Processes

### C: CoC Groups and Meetings Chart

The purpose of the CoC Groups and Meetings Chart is to help HUD understand the current structure and decision-making processes of your CoC. List the name and role (function served) of each group in the CoC planning process. Under “CoC Primary Decision-Making Group,” identify only one group that acts as the primary leadership or decision-making group for the CoC. Indicate frequency of meetings and the number of organizations participating in each group. Under “Other CoC Committees, Sub-Committees, Workgroups, etc.” you should include any established group that is part of your CoC’s organizational structure (add rows to the chart as needed). Please limit your description of each organization’s role to 2 lines or less.

CoC-Related Planning Groups		Meeting Frequency (check only one column)				Enter the number of organizations/entities that are members of each CoC planning group listed on this chart.

## D: CoC Planning Process Organizations Chart

List the names of all organizations involved in the CoC under the appropriate category. If more than one geographic area is claimed on the 2006 Geography Chart (Chart B), you must indicate which geographic area(s) each organization represents in your CoC planning process. In the last columns, identify no more than two subpopulation(s) whose interests the organization is specifically focused on representing in the CoC planning process. For “Homeless Persons,” identify at least 2 homeless or formerly homeless individuals.

## E: CoC Governing Process Chart

HUD is moving toward providing greater definition and setting standards on the governing process of Continuums of Care. Check the box for each question below, and explain briefly if necessary.

	Yes	No
1. Does the CoC have a separate planning and decision-making body/entity that is broadly representative of the public and private homeless service sectors, including homeless client/consumer interests? If no, please explain.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
2. Is the primary decision-making entity composed of at least 65 percent representation by the private sector (including consumer interests)? If no, please explain.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
3. Is the primary decision-making entity membership selected in an open and democratic process by the CoC membership? If no, please explain.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
4. Is there a Chair and Co-Chair representing both the private and public sector at the same time, with staggered 2-year terms and the Chair position rotating between the private and public sectors? If no, please explain.  The Chicago CoC has chairs rotating between public, private, and consumer sectors. Therefore, a three-year instead of a two-year succession term is used for Chicago CoC co-chairs.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
5. Has the CoC developed a Code of Conduct for the CoC decision-making entity and its Chair and Co-chair? If no, please explain.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
6. The Chair and Co-Chair and all members of the CoC decision-making entity may not participate in decisions concerning awards of grants or provision of financial benefits to such member or the organization that such member represents. Have they recused themselves from considering projects in which they have an interest? If no, please explain.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
7. Does the CoC have a fiscal agent designated to receive funds from HUD?	<input type="checkbox"/>	<input checked="" type="checkbox"/>

8. If your Continuum has not yet complied with **any** of the above broad standards for the CoC planning and decision-making process, please describe the extent to which your CoC will meet each guideline by the 2007 competition.

The Chicago CoC has complied with standards in #4 and #7, despite answering “NO.”

Regarding #4, the CoC Governing Board co-chairs rotate on a three-year succession term with each sector (private, government, and homeless) rotating the chair, co-chair, and past-chair offices.

Regarding #7, the Chicago CoC office does have a fiscal agent for its office. This fiscal agent has not been established, nor is it likely to be designated, to receive HUD funds. If required by HUD, the City of Chicago and the Chicago CoC would work quickly to establish the appropriate fiscal agent for the CoC by 2007.

## F: CoC Project Review and Selection Chart

The CoC solicitation of projects and project selection should be conducted in a fair and impartial manner. Please mark all appropriate boxes to indicate all of the methods and processes the CoC used in 2006 to assess project(s) performance, effectiveness, and quality, particularly with respect to the Project Priorities Chart (CoC-Q). This applies to new and renewal projects. Check all that apply:

### G: CoC Written Complaints Chart

<b>Were there any written complaints received by the CoC regarding any CoC matter in the last 12 months?</b>	<input checked="" type="checkbox"/> <b>Yes</b> <input type="checkbox"/> <b>No</b>
--	--

**If Yes, briefly describe the complaints and how they were resolved.**

The Chicago Continuum of Care received three written complaints in the past year. The first complaint involved the Chicago Continuum of Care evaluation process for 2005 SuperNOFA funding, as the agency felt they did not receive a score commensurate with the materials they submitted even after the appeals process. The second complaint had to do with the governance structure of the Chicago Continuum of Care and the manner in which policy is set. The first two complaints were referred to the Executive Committee of the Governing Board for review and discussion. Both parties were invited to meet with the Executive Committee and/or Executive Director to discuss the issues further, which they did. In both instances, the Executive Committee also sent a formal letter responding to all of the concerns raised in the complaints. The third complaint was from a consumer and had to do with the person receiving a check for a \$10 stipend in lieu of cash. The issue was resolved by giving the person his stipend in cash.

Overall, the Chicago Continuum of Care has an open process whereby any party can register a complaint or concern with the Executive Director or the Governing Board. Additionally, The Chicago Continuum of Care has an appeals process for the evaluation of projects for SuperNOFA funding. All appeals are evaluated by an independent committee, which is established by the Governing Board. The office of the Chicago Continuum of Care solicits feedback in the form of surveys and focus groups at the end of the SuperNOFA process and at quarterly All Continuum meetings. Finally, the employees of the Chicago Continuum of Care respond to questions received via email or phone and ensure that concerns are forwarded to the relevant party.

## Part II: CoC Housing and Service Needs

### H: CoC Services Inventory Chart

Using the format below, list the provider organizations and identify the service components currently being provided within your CoC. Place the name of each provider organization only once in the first column (add rows to the chart as needed), followed by an “X” in the appropriate column(s) corresponding to the service(s) provided by the organization. CoCs will only need to update this chart every other year.

## CoC Housing Inventory and Unmet Needs

### I: CoC Housing Inventory Charts

This section includes three housing inventory charts—for emergency shelter, transitional housing, and permanent housing. Note that the information in these charts should reflect a point-in-time count. For the Permanent Housing Inventory Chart, the beds listed under “new inventory” should indicate beds that became available for occupancy for the first time between February 1, 2005 and January 31, 2006. For complete instructions in filling out this section, see the Instructions section at the beginning of the application. I: CoC Housing Inventory Charts

## J: CoC Housing Inventory Data Sources and Methods Chart

Complete the following charts based on data collection methods and reporting for the Housing Inventory Chart, including Unmet Need determination. The survey must be for a 24-hour point-in-time count during the last week of January 2006.

<b>(1) Indicate date on which Housing Inventory count was completed: <u>01/31/2006</u> (mm/dd/yyyy)</b>	
<b>(2) Identify the <i>primary</i> method used to complete the Housing Inventory Chart (check one):</b>	
<input checked="" type="checkbox"/>	<b>Housing inventory survey to providers</b> – CoC distributed a housing inventory survey (via mail, fax, or e-mail) to homeless programs/providers to update current bed inventories, target populations for programs, beds under development, etc.
<input type="checkbox"/>	<b>On-site or telephone housing inventory survey</b> – CoC conducted a housing inventory survey (via phone or in-person) of homeless programs/providers to update current bed inventories, target populations for programs, beds under development, etc.
<input type="checkbox"/>	<b>HMIS</b> – Used HMIS data to complete the Housing Inventory Chart
<b>(3) Indicate the percentage of providers completing the housing inventory survey:</b>	
<u>80</u> %	Emergency shelter providers
<u>96</u> %	Transitional housing providers
<u>95</u> %	Permanent Supportive Housing providers
<b>(4) Indicate steps to ensure data accuracy for 2006 Housing Inventory Chart (check all that apply):</b>	
<input checked="" type="checkbox"/>	<b>Instructions</b> – Provided written instructions for completing the housing inventory survey.
<input type="checkbox"/>	<b>Training</b> – Trained providers on completing the housing inventory survey.
<input checked="" type="checkbox"/>	<b>Updated prior housing inventory information</b> – Providers submitted updated 2005 housing inventory to reflect 2006 inventory.
<input checked="" type="checkbox"/>	<b>Follow-up</b> – CoC followed-up with providers to ensure the maximum possible response rate and accuracy of the housing inventory survey.
<input checked="" type="checkbox"/>	<b>Confirmation</b> – Providers or other independent entity reviewed and confirmed information in 2006 Housing Inventory Chart after it was completed.
<input type="checkbox"/>	<b>HMIS</b> – Used HMIS to verify data collected from providers for Housing Inventory Chart.

## CoC Homeless Population and Subpopulations

### K: CoC Point-in-Time Homeless Population and Subpopulations Chart

Complete the following chart based on the most recent point-in-time count conducted. Part 1 and Part 2 must be completed using statistically reliable, unduplicated counts or estimates of homeless persons in sheltered and unsheltered locations at a one-day point in time. Include homeless Hurricane Katrina evacuees in Parts 1 and 2, and complete Part 3 if applicable. Part 3 may be completed using point-in-time information or may be estimated if no point-in-time count has been done since September 1, 2005. Completion of a point-in-time count of sheltered and unsheltered homeless persons during the last week in January 2006 is not required. The next required point-in-time count of sheltered and unsheltered homeless persons must be completed during the last week of January 2007. For further instructions for filling out this section, see the Instructions section.

Indicate date of last point-in-time count: 01/27/2005 (mm/dd/yyyy)

## L: CoC Homeless Population and Subpopulations Data Sources & Methods Chart

Complete the following charts based on the most recent point-in-time count conducted.

### L-1: Sheltered Homeless Population and Subpopulations

<b>(1) Check the <u>primary</u> method used to enumerate sheltered homeless persons in the CoC (check one):</b>
<input type="checkbox"/> <b>Point-in-Time (PIT) <u>no interview</u></b> – Providers did not interview sheltered clients during the point-in-time count
<input type="checkbox"/> <b>PIT <u>with interviews</u></b> – Providers interviewed each sheltered individual or household during the point-in-time count
<input checked="" type="checkbox"/> <b>PIT <u>plus sample of interviews</u></b> – Providers conducted a point-in-time count <b>and</b> interviewed a random sample of sheltered persons or households (for example, every 5th or 10th person)
<input type="checkbox"/> <b>PIT <u>plus extrapolation</u></b> – Information gathered from a sample of interviews with sheltered persons or households is extrapolated to the total sheltered population
<input type="checkbox"/> <b>Administrative Data</b> – Providers used administrative data (case files, staff expertise) to complete client population and subpopulation data for sheltered homeless persons
<input type="checkbox"/> <b>HMIS</b> – CoC used HMIS to complete the point-in-time sheltered count and subpopulation information
<input type="checkbox"/> <b>Other</b> – please specify:
<b>(2) Indicate steps taken to ensure data quality of the sheltered homeless enumeration (check all that apply):</b>
<input checked="" type="checkbox"/> <b>Instructions</b> – Provided written instructions to providers for completing the sheltered point-in-time count
<input checked="" type="checkbox"/> <b>Training</b> – Trained providers on completing the sheltered point-in-time count
<input checked="" type="checkbox"/> <b>Remind and Follow-up</b> – Reminded providers about the count and followed up with providers to ensure the maximum possible response rate and accuracy
<input type="checkbox"/> <b>HMIS</b> – Used HMIS to verify data collected from providers for the sheltered point-in-time count
<input type="checkbox"/> <b>Other</b> – please specify:
<b>(3) How often will sheltered counts of sheltered homeless people take place in the future?</b>
<input checked="" type="checkbox"/> Biennial (every two years)
<input type="checkbox"/> Annual
<input type="checkbox"/> Semi-annual
<input checked="" type="checkbox"/> Other – please specify: HMIS will be used to enumerate PIT shelter count during interim years.
<b>(4) Month and Year when next count of sheltered homeless persons will occur: January 2007</b>

<b>(5) Indicate the percentage of providers completing the populations and subpopulations survey:</b>	
<u>  100  </u> %	Emergency shelter providers
<u>  100  </u> %	Transitional housing providers
<u>    0    </u> %	Permanent Supportive Housing providers

CoC-L-1

**L-2: Unsheltered Homeless Population and Subpopulations\***

<b>(1) Check the primary method used to enumerate unsheltered homeless persons in the CoC:</b>	
<input type="checkbox"/>	<b>Public places count</b> – CoC conducted a point-in-time count <u>without</u> client interviews
<input type="checkbox"/>	<b>Public places count with interviews</b> – CoC conducted a point-in-time count and interviewed every unsheltered homeless person encountered during the public places count
<input checked="" type="checkbox"/>	<b>Sample of interviews</b> – CoC conducted a point-in-time count and interviewed a random sample of unsheltered persons
<input type="checkbox"/>	<b>Extrapolation</b> – CoC conducted a point-in-time count and the information gathered from a sample of interviews was extrapolated to total population of unsheltered homeless people counted
<input type="checkbox"/>	<b>Public places count using probability sampling</b> – High and low probabilities assigned to designated geographic areas based on the number of homeless people expected to be found in each area. The CoC selected a statistically valid sample of each type of area to enumerate on the night of the count and extrapolated results to estimate the entire homeless population.
<input type="checkbox"/>	<b>Service-based count</b> – Interviewed people using non-shelter services, such as soup kitchens and drop-in centers, and counted those that self-identified as unsheltered homeless persons
<input type="checkbox"/>	<b>HMIS</b> – Used HMIS to complete the enumeration of unsheltered homeless people
<input type="checkbox"/>	<b>Other</b> – please specify:
<b>(2) Indicate the level of coverage of the point-in-time count of unsheltered homeless people:</b>	
<input type="checkbox"/>	<b>Complete coverage</b> – The CoC counted every block of the jurisdiction
<input type="checkbox"/>	<b>Known locations</b> – The CoC counted areas where unsheltered homeless people are known to congregate or live
<input checked="" type="checkbox"/>	<b>Combination</b> – CoC counted central areas using complete coverage and also visited known locations
<input type="checkbox"/>	<b>Used service-based or probability sampling</b> (coverage is not applicable)
<b>(3) Indicate community partners involved in point-in-time unsheltered count (check all that apply):</b>	
<input checked="" type="checkbox"/>	<b>Outreach teams</b>
<input checked="" type="checkbox"/>	<b>Law Enforcement</b>
<input checked="" type="checkbox"/>	<b>Service Providers</b>
<input checked="" type="checkbox"/>	<b>Community volunteers</b>
<input checked="" type="checkbox"/>	<b>Other</b> – please specify: <b>City employee volunteers</b>
<b>(4) Indicate steps taken to ensure the data quality of the unsheltered homeless count (check all that apply):</b>	
<input checked="" type="checkbox"/>	<b>Training</b> – Conducted a training for point-in-time enumerators
<input type="checkbox"/>	<b>HMIS</b> – Used HMIS to check for duplicate information
<input checked="" type="checkbox"/>	<b>Other</b> – specify: Debriefing and follow-up with agencies involved. Each geographical region is under the oversight of a homeless service provider that has extensive presence in that area.
<b>(5) How often will counts of unsheltered homeless people take place in the future?</b>	
<input checked="" type="checkbox"/>	Biennial (every two years)

<input type="checkbox"/>	Annual
<input type="checkbox"/>	Semi-annual
<input type="checkbox"/>	Quarterly
<input type="checkbox"/>	Other – please specify:

**(6) Month and Year when next count of unsheltered homeless persons will occur: January 2007**

**Challenges and Barriers:** Briefly describe any significant challenges/barriers the CoC has experienced in:

1. HMIS implementation
2. HMIS Data and Technical Standards Final Notice requirements

Chicago has experienced barriers in achieving full implementation of HMIS for all HUD funded agencies and other non-HUD funded agencies in the CoC. The specific barriers have been with delegate agency staff capacity, ability to adapt to technology, and frequent staff turnover. For many, HMIS is introducing technology and computerized systems to their agencies for the first time. Also, there has been significant staff turnover in the agencies that had staffs trained as authorized users for HMIS. All of these issues stagnate the implementation and usage of HMIS.

\*\*For further instructions on charts M-4 and M-5, see Instructions section at the beginning of application. CoC-M-5

Uses data integration or data warehouse to generate unduplicated count?	<input type="checkbox"/>	<input checked="" type="checkbox"/>

## Part III: CoC Strategic Planning

### N: CoC 10-Year Plan, Objectives, and Action Steps Chart

Please provide local action steps and measurable achievements for attaining each of the 5 national HUD objectives listed, as part of the goal to end chronic homelessness and help to move families and individuals to permanent housing. In the column labeled “Lead Person,” please list one individual that is responsible for ensuring that the objective is met. You may list additional CoC objectives as needed. Please note that your Continuum will be reporting on your achievements with respect to each of these objectives in the 2007 application.

Objectives to End Chronic Homelessness and Move Families and Individuals to Permanent Housing	Local Action Steps (How are you going to do it? List action steps to be completed within the next 12 months.)	Measurable Achievement in 12 months	Measurable Achievement in 5 years	Measurable Achievement in 10 years	Lead Person (Who is responsible for accomplishing CoC Objectives?)
<i>EXAMPLE: 1. Create new PH beds for chronically homeless persons.</i>	<i>1. Expand New Hope Housing project with 5 new TRA S+C beds for chronically homeless persons</i>	<i>5 beds</i>	<i>20 beds</i>	<i>50 beds</i>	<i>Carol Smith: Chair, CoC Housing Committee</i>
1. Health Care:				
<p>Mental Health:</p> <p>In July 2005, the Illinois Department of Human Services, Office of Mental Health updated its “Continuity of Care Agreement” which outlines the protocol for placement into a state mental health facility and discharge from a state mental health facility. The discharge-planning component of the Agreement includes provisions for housing, community mental health, and employment/benefits services. The newly revised state Continuity of Care Agreement states that the state hospital is not to discharge a person into homelessness if there is a reasonable expectation that the person will have housing if the discharge is delayed. The Continuity of Care Agreement also ensures that homeless persons are linked to community mental health services upon discharge.</p>				
<p>Corrections:</p> <p>In May 2004, the Circuit Court of Cook County’s Criminal Division piloted a Mental Health Court that was fully established in 2005. The Mental Health Court involves a team comprising a judge, prosecutors, defense attorneys, probation officers, and social service agencies that oversee mentally ill probationers to ensure compliance with treatment and monitor progress toward improved mental health. This program provides discharge planning from jail for clients that otherwise would be at high risk for occurrence or re-occurrence of homelessness.</p> <p>The Mental Health Court is only available to defendants charged with a nonviolent felony who have an open case file with the Illinois Office of Mental Health (OMH). Defendants are offered the option to plead guilty and receive a sentence of probation. The terms of their sentences include mandatory mental health services provided through OMH, and frequent status hearings before the Mental Health Court judge. They are linked to social service agencies for assistance with housing and employment.</p>				

The Mental Health Court is coordinated through a variety of court-related agencies including the Office of the Cook County State's Attorney, the Office of the Cook County Public Defender, the Illinois Office of Mental Health, the service provider Treatment Alternatives for Safer Communities (TASC), Cermak Health Services, a county facility located at the Cook County Department of Corrections that provides clinical services to detainees, and the Circuit Court of Cook County's Adult Probation Department. TASC received a SAMHSA grant in 2005 for the Mental Health Jail Diversion program that will allow the program to expand to serve a total of 80-90 individuals at any one time, up from the current 30.

## P: CoC Coordination Chart

A CoC should regularly assess the local homeless system and identify shortcomings and unmet needs. One of the keys to improving a CoC is to use long-term strategic planning to establish specific goals and then implement short-term/medium-term action steps. Because of the complexity of the existing homeless system and the need to coordinate multiple funding sources, there are often multiple long-term strategic planning groups. It is imperative for CoCs to coordinate, as appropriate, with each of these existing strategic planning groups to meet the local CoC shortcomings and unmet needs. Answer each question in the checkbox provided, using an X to indicate Yes or No for each.

<b>Consolidated Plan Coordination</b>	<b>YES</b>	<b>NO</b>
a. Do Con Plan planners, authors and other Con Plan stakeholders participate in CoC general planning meetings?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
b. Do CoC members participate in Con Plan planning meetings, focus groups, or public forums?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
c. Were CoC strategic plan goals addressing homelessness and chronic homelessness used in the development of the Con Plan?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
<b>Jurisdictional 10-year Plan Coordination</b>		
a. Are there separate formal jurisdictional 10-year Plan(s) being developed and/or being implemented within your CoC geography? (If No, you may skip to the next section of this chart.)	<input type="checkbox"/>	<input checked="" type="checkbox"/>
b. Do 10-year Plan conveners, authors and other stakeholders participate in CoC general planning meetings?	<input type="checkbox"/>	<input type="checkbox"/>
c. Have 10-year Plan participants taken steps to align their planning process with the local CoC plan?	<input type="checkbox"/>	<input type="checkbox"/>
d. Were CoC strategic plan goals used in the development of the 10-year Plan(s)?	<input type="checkbox"/>	<input type="checkbox"/>
e. Provide the number of jurisdictions within your CoC geography that have formally implemented a 10-year plan(s).		
<b>Policy Academy* Coordination</b>	<b>YES</b>	<b>NO</b>
a. Do CoC members participate in State Policy Academy meetings, focus groups, public forums, or listservs?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
b. Were CoC strategic plan goals adopted by the CoC as a result of communication/coordination with the State Policy Academy Team?	<input type="checkbox"/>	<input checked="" type="checkbox"/>
c. Has the CoC or any of its projects received state funding as a result of its coordination with the State Policy Academy?	<input type="checkbox"/>	<input checked="" type="checkbox"/>
<b>Public Housing Agency Coordination</b>		
a. Do CoC members meet with CoC area PHAs to improve coordination with and access to mainstream housing resources?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
<b>Coordination with State Education Agencies</b>		
a. Did the CoC provide the state education agency with a list of emergency and transitional housing facilities located within the CoC boundaries that serve families with school-age children or school-age unaccompanied youth under the age of 18?	<input checked="" type="checkbox"/>	<input type="checkbox"/>

\*A State Policy Academy is a state-level process designed to help state and local policymakers improve access to mainstream services for people who are homeless. For more information about getting involved in a State Policy Academy, see <http://www.hrsa.gov/homeless>.

- \*HUD-defined CoC names & numbers are available at: <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>
- \*\*Place the component type (PH, TRA etc.) under the appropriate program for each project in column 7.
- \*\*\*The requested project amount **must not** exceed the amount entered in the project summary budget in Exhibit 2. If the project summary budget exceeds the amount shown on this priorities list, the **project budget will be reduced** to the amount shown on the CoC Project Priorities Chart.
- \*\*\*\*For the Shelter Plus Care Renewals priority number, please continue project numbering from the top portion of the chart – please **do not** restart S+C project priority numbering from 1.

**R: CoC Pro Rata Need (PRN) Reallocation Chart**  
**(Only for Eligible Hold Harmless CoCs)**

CoCs that receive the 1-year Hold Harmless PRN amount may reduce or eliminate one or more of the SHP grants eligible for renewal in the 2006 CoC competition. CoCs may reallocate the funds made available through this process to create new permanent housing project(s). These new project(s) may be for SHP, S+C, and Section 8 SRO projects and their respective eligible activities.

**Advisory Warning:** According to the CoC competitive process, a CoC that scores below the initial funding line will not have the new projects on this chart funded. As such, the reallocated funds that had been used for renewals would no longer be available to the CoC.

<b>1. Will your CoC be using the PRN reallocation process?</b> <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No					
<p><b>If Yes</b>, explain the open decision making process the CoC used to reduce and/or eliminate projects (use no more than one-half page).          The Chicago Continuum of Care informed all renewal grants of the reallocation option and two projects, listed below, were able to reduce or eliminate their grants to fund new permanent housing projects in the city. These projects made the decision to reduce/eliminate their grant independently.</p>					
<b>2. Enter the total 1-year amount of <i>all</i> SHP projects that are eligible for renewal in 2006, which amount you have verified with your field office:</b>				<i>Example:</i> \$530,000	\$34,166,541
<b>3. Starting with the total entered above for question 2, subtract the amount your CoC proposes to use for new permanent housing projects, and enter the remaining amount:</b> <i>(In this example, the amount proposed for new PH projects is \$140,000)</i>				<i>Example:</i> \$390,000	\$33,758,458

## S: CoC Project Leveraging Summary Chart

HUD homeless program funding is limited and can provide only a portion of the resources needed to successfully address the needs of homeless families and individuals. HUD encourages applicants to use supplemental resources, including State and local appropriated funds, to address homeless needs.

Enter the name of your Continuum and list the total amount of leveraged resources available. To get this number, find the total at the bottom of the Project Leveraging Chart for all Exhibit 2 project applications, add up all of these the totals, and enter this single number in the chart below. Complete only one chart for the entire CoC (do *not* add any rows). Provide information *only* for contributions for which you have a *written commitment in hand at the time of application*.

**Warning:** HUD will prosecute false claims and statements. Conviction may result in criminal and/or civil penalties (18 U.S.C. 1001, 1010, 1012; 31 U.S.C. 3729, 3802)

Name of Continuum	Total Value of Written Commitment
<i>Example:</i> River County CoC	\$10,253,000
Chicago CoC	\$67,415,088

## Part IV: CoC Performance

### U: CoC Achievements Chart

Enter the goals and action steps that you that you listed on your 2005 CoC application and briefly describe measurable achievements in the past 12 months. The information provided in the first two columns should be the same as provided in the 2005 CoC application. Add rows as needed.

Goals	Action Steps	Measurable Achievements
<b>Chronic Homelessness Goals</b>		
<p>1. Increase the amount of permanent supportive housing and maintain the current permanent supportive housing programs that are successful in assisting the chronically homeless population.</p>	<p>a. Increase funding for new PSH programs and developments.            b. Renew funding for PSH programs with successful track records in assisting the chronically homeless.            c. Explore innovative strategies to develop engagement housing for the chronically homeless.</p>	<ul style="list-style-type: none"> <li>• Funded 254 new permanent supportive housing units for chronically and/or unsheltered homeless individuals to be operational in 2006 through HUD funds (Chronic Homeless Initiative) and the Chicago Low Income Housing Trust Fund (Street to Home Initiative).</li> <li>• In 2005, 257 new units of permanent supportive housing dedicated to homeless households opened. This includes the Leland Apartments, which has 50 units available to chronically homeless individuals and that uses a harm reduction service model.</li> <li>• Maintained funding for 1,787 leasing/operating subsidies for PSH beds, services for 991 PSH units, and 57 SH beds.</li> </ul>
<p>2. Create an effective and efficient permanent housing delivery system that ensures chronically homeless individuals have access to PSH and that PSH providers tailor their intake eligibility to better service the chronically homeless</p>	<p>a. Work with CoC housing providers on tailoring their intake eligibility to better serve the chronically homeless.            b. Explore the development of a centralized waiting list for permanent housing units funded for homeless individuals and families.</p>	<ul style="list-style-type: none"> <li>• Issued a report on “Barriers to Permanent Housing” which analyzed the current intake criteria and practices among permanent supportive housing providers.</li> <li>• Established a framework for a centralized waiting list for permanent supportive housing as a function of HMIS.</li> </ul>
<p>3. Improve the identification of and outreach to chronically homeless persons using the shelters and living in public spaces and engagement in the shelter/housing system.</p>	<p>a. Improve the methodology and process used to count the sheltered and unsheltered chronically homeless for 2007 based on the results of the 2005 count.            b. Accurately count and document progress toward reducing the number of chronically homeless persons.            c. Ensure interim housing (shelter) units respond to the needs of the chronically homeless to engage them in services.            d. Identify gaps in service for chronically homeless individuals in interim and permanent housing programs.</p>	<ul style="list-style-type: none"> <li>• Developed and submitted recommendations for an improved methodology for the 2007 point-in-time count to the CoC</li> <li>• Converted 247 emergency shelter beds for singles into interim housing, which will enhance beds and services for the chronically homeless.</li> <li>• Created the Street to Home Initiative and the Interim Housing Outreach Project to conduct outreach and assessments for individuals and families residing in public spaces and emergency shelters to engage them into interim and permanent housing.</li> </ul>

## Other Homelessness Goals

<p>1. Maintain and improve an infrastructure that promotes system-level access and coordination of prevention, housing and supportive services</p>	<ol style="list-style-type: none"> <li>1. Collect and analyze data across the system through HMIS and improve services as necessary.</li> <li>2. Create a dynamic planning framework that analyzes system needs each year based on the projection of demand for services categorized by geography, service type, and permanent housing type.</li> <li>3. Implement strategies to increase, develop improved energy assistance strategy, and improve response.</li> <li>4. Develop policy and program analysis for discharge planning efforts to ensure appropriate transition to housing.</li> </ol>	<ul style="list-style-type: none"> <li>• Established a framework and timeline for implementation for a Prevention Call Center, providing centralized access to homelessness prevention resources.</li> <li>• Created a dynamic planning framework that analyzes system needs and updated projections for Chicago’s homeless system transition from 2006-2012. This process updated the Plan to End Homelessness Implementation Schedule, which was adopted by the Governing Board.</li> <li>• CoC made policy recommendations to the Governor’s Working Group on Prisoner Reentry regarding discharge planning.</li> <li>• The Mayoral Policy Caucus on Prisoner Re-entry issued a report of policy recommendations to address prisoner-reentry. In support of this work, the City established employment guidelines so that formerly incarcerated individuals are no longer excluded as eligible applicants for City jobs simply on the basis of offender status. Instead, the City’s hiring process will weigh the severity of crimes in relationship to the nature of the job.</li> </ul>
<p>2. Sustain an inclusive community structure to implement the Chicago Plan to End Homelessness by 2013: Getting Housed, Staying Housed</p>	<ol style="list-style-type: none"> <li>1. Coordinate collective response to meet needs of homeless through work of committees and task groups of the CoC.</li> <li>2. Increase resources available to support the goals of the Plan.</li> <li>3. Improve coordination between city government and private sector through joint efforts on key initiatives.</li> <li>4. Build on strategic alliances to further the Ten-Year Plan objectives and create additional resources for Plan.</li> </ol>	<ul style="list-style-type: none"> <li>• Developed system of “registered constituency groups” of the CoC that facilitate organized participation in the CoC processes. The constituency groups select all Governing Board slots.</li> <li>• City government dedicated \$10 million over five years in new resources. The first \$2 million of investments were distributed through key initiatives involving the private sector, which are projected to assist approximately 900 homeless households in the first year.</li> <li>• Governor Blagojevich signed the Statewide Rental Housing Support Program into law in July 2005, creating the largest state-run rental subsidy program in the nation. It is expected to assist approximately 5,500 Illinois households, including 2,000 in Chicago alone. The City has committed to dedicating half of these new resources to assist households currently in the shelter system.</li> <li>• Through advocacy efforts led by the Chicago Coalition for the Homeless, the Illinois General Assembly passed an FY07 budget with an increase of \$8</li> </ul>

		million in homelessness prevention money statewide.
3. Develop an effective housing system to responds to the needs of those who experience homelessness and facilitates quick access to permanent housing and supportive services.	<ol style="list-style-type: none"> <li>1. Expand permanent housing with short-term support for homeless households through faith-based efforts.</li> <li>2. With input from HUD and other existing systems, establish a framework a centralized waiting list.</li> <li>3. Create an integrated system of bed management for interim housing.</li> <li>4. Develop and implement system-wide standards for housing retention support for case managers to inform landlord relationships.</li> </ol>	<ul style="list-style-type: none"> <li>• Established a framework for a centralized permanent supportive housing waiting list as a function of HMIS</li> <li>• Recruited and trained six faith-based communities to sponsor homeless families using the permanent housing with short-term supports model.</li> <li>• Developed an Interim Housing Outreach Project to provide assessments and referrals to interim and permanent housing for people who enter emergency shelters, which otherwise lacks case management functions. Through this effort, project partners will inform an integrated system of bed management.</li> </ul>
4. Strengthen community supports and safety net systems by increasing participation of households in mainstream services and by assisting households in accessing benefits.	<ol style="list-style-type: none"> <li>1. Work with public entitlement agencies to increase access to public benefits for homeless consumers.</li> <li>2. Develop an appeal system with legal services for those denied public benefits.</li> <li>3. Develop new linkages with mainstream supported programs to ensure homeless households obtain services for which they are eligible.</li> </ol>	<ul style="list-style-type: none"> <li>• Trained medical professionals on how to document disabilities for homeless patients.</li> <li>• A public benefits appeal system exists through the Public Benefits Hotline sponsored by the Legal Assistance Foundation of Chicago, representing clients in all aspects of state and federal public benefits.</li> </ul>

2006	1,266	1,214	71*	\$3,908,648	\$1,075,279	\$213,479	\$1,341,962
<b>(5) Briefly describe the reason(s) for any changes in the total number of the chronically homeless between 2005 and 2006 (use less than one-half page).</b>							
<p>In the 2005 HUD application, the reported number of chronically homeless persons in permanent housing units was an <i>estimated</i> based on the number housing providers known to specialize in serving this population. In this year's application, an <i>actual</i> number of chronically homeless individuals in permanent housing units on January 31, 2006 was documented for Chart I – Housing Inventory. Chart V shows that the number of units occupied by CH has increased dramatically between 2005 and 2006. We believe there are two reasons for this: 1) the chronically homeless are more widely served by Chicago's permanent housing providers than previously assumed, and 2) housing providers have improved their documentation of chronically homeless residents.</p> <p>In 2006, the actual number of chronically homeless occupying permanent housing beds is 1,214. <u>However, between February 1, 2005 and January 31, 2006, only 71 of the PH/CH units were new/newly-available.</u> Given the reasons stated above, the difference between the 2005 and 2006 "PH beds for CH" does NOT equal the "New PH for the CH between February 1, 2005 and January 31, 2006."</p> <p>The breakdown of funding sources for the beds will only be given to the beds that opened in 2005 specifically for chronic homeless. *The projects as back up for the 71 units are: Deborah's Place Safe Haven (15), Heartland Housing Leland Apts (50), Mercy Housing Lakefront Wentworth Commons (2), and New Phoenix Assistance Center Permanent SHP (4).</p>

## W: CoC Housing Performance Chart

The following chart will assess your CoC's progress in reducing homelessness by helping clients move to and stabilize in permanent housing, access mainstream services and gain employment. Both housing and supportive services projects in your CoC will be examined. Provide information from the most recently submitted APR for the appropriate RENEWAL project(s) on your CoC Project Priorities Chart. **Note:** If you are not submitting any renewals in this year's competition for the applicable areas presented below, check the appropriate box in the chart.

1. Participants in Permanent Housing		
HUD will be assessing the percentage of all participants who remain in S+C or SHP permanent housing (PH) for more than six months. SHP projects include both SHP-PH and SHP-Safe Haven PH renewals. Complete the following chart utilizing data based on the <u>preceding operating year</u> from APR Question 12(a) and 12(b) for PH projects included on your CoC Priority Chart:		
<input type="checkbox"/>	No applicable PH renewals are on the CoC Project Priorities Chart	APR Data
<input checked="" type="checkbox"/>	<u>All</u> PH renewal projects with APRs submitted are included in calculating the responses below	
a.	Number of participants who <b>exited</b> PH project(s)—APR Question 12(a)	1106
b.	Number of participants who did <b>not leave</b> the project(s)—APR Question 12(b)	2741
c.	Number who <b>exited</b> after staying 7 months or longer in PH—APR Question 12(a)	728
d.	Number who did <b>not leave</b> after staying 7 months or longer in PH—APR question 12(b)	2297
e.	Percentage of all participants in PH projects staying 7 months or longer (c. + d. divided by a. + b. multiplied by 100 = e.)	78.6 %
2. Participants in Transitional Housing (TH)		
HUD will be assessing the percentage of all TH clients who moved to a permanent housing situation. TH projects include SHP-TH and SHP-Safe Haven/TH <i>not</i> identified as permanent housing. Complete the following chart utilizing data based on the <u>preceding operating year</u> from APR Question 14 for TH renewal projects included on your CoC Priorities Chart.		
<input type="checkbox"/>	No applicable TH renewals are on the CoC Project Priorities Chart	APR Data
<input checked="" type="checkbox"/>	<u>All</u> TH renewal projects with APRs submitted are included in calculating the responses below	
a.	Number of participants who exited TH project(s)—including unknown destination	2177
b.	Number of participants who moved to PH	1314
c.	Percent of participants in TH projects who moved to PH (b. divided by a. multiplied by 100 = c.)	60.4 %

## X: Mainstream Programs and Employment Project Performance Chart

HUD will be assessing the percentage of clients in all your renewal projects who gained access to mainstream services, especially those who gained employment. This includes all S+C renewals and all SHP renewals, excluding HMIS projects. Complete the following charts based on responses to APR Question 11 for each of the renewal projects included on your CoC Priority Chart. For further instructions for filling out this section, see the Instructions section at the beginning of the application.

<input type="checkbox"/>	No applicable renewal projects for the Mainstream Programs and Employment Chart included in the CoC Priorities Chart.
<input checked="" type="checkbox"/>	<u>All</u> non-HMIS renewal projects on the CoC Priorities Chart that submitted an APR are included in calculating the responses below.

## Y: Enrollment and Participation in Mainstream Programs Chart

It is fundamental that your CoC *systematically* helps homeless persons identify, apply for and follow-up to receive benefits under **SSI, SSDI, TANF, Medicaid, Food Stamps, SCHIP, WIA, and Veterans Health Care as well as any other State or Local program that may be applicable.** Which policies are currently in place in your CoC to help clients secure these mainstream benefits for which they are eligible?

Check those activities implemented by a <b>majority</b> of your CoC's homeless assistance providers (check all that apply):	
<input checked="" type="checkbox"/>	A majority of homeless assistance providers have case managers systematically assist clients in completing applications for mainstream benefit programs.
<input checked="" type="checkbox"/>	The CoC systematically analyzes its projects' APRs to assess and improve access to mainstream programs.
<input checked="" type="checkbox"/>	The CoC contains a specific planning committee to improve CoC-wide participation in mainstream programs.
<input checked="" type="checkbox"/>	A majority of homeless assistance providers use a single application form for four or more of the above mainstream programs.
<input checked="" type="checkbox"/>	The CoC systematically provides outreach and intake staff specific, ongoing training on how to identify eligibility and program changes for mainstream programs.
<input checked="" type="checkbox"/>	The CoC has specialized staff whose only responsibility is to identify, enroll, and follow-up with homeless persons on participation in mainstream programs.
<input checked="" type="checkbox"/>	A majority of homeless assistance providers supply transportation assistance to clients to attend mainstream benefit appointments.
<input checked="" type="checkbox"/>	A majority of homeless assistance providers have staff systematically follow-up to ensure that mainstream benefits are received.
<input type="checkbox"/>	The CoC coordinates with the State Interagency Council(s) on Homelessness to reduce or remove barriers to accessing mainstream services.
