Advocacy is a play in which we all have an important part, and it is our responsibility to make sure the show goes off without a hitch. This training will help you understand and practice your role, so that you can step out on stage and be a star advocate! All providers, consumers, and community partners are welcome.

You will be able to:

- Hear about our current budget situation and what you can do to make a difference.
- Practice your skills one-on-one with experienced advocates.
- Tell us what skills YOU want to learn when you register!

Hurry, Space is Limited!

Registration required. RSVP by Thursday, April 25.
