Please briefly describe the nominee's level of participation with the Chicago Alliance to End Homelessness (i.e., Board of Directors, SPC Executive Committees and Constituency Groups), the Chicago Planning Council on Homelessness, and/or other work and experience related to homelessness that makes the nominee qualified to be a representative to the committee(s) checked above.

As the founding CEO of the Chicago Alliance to End Homelessness and the Partnership to End Homelessness, I helped design and implement the Planning Council for 12 years. I have chaired the Planning Council and served on the executive committee, and have staffed the Chicago Alliance board of directors, SPC executive committee, and various constituency groups. I am now the Chief Operating Officer of the Primo Center for Women and Children, which provides interim housing, permanent supportive housing, and evidence-based supportive services for women and children. Having helped the Planning Council go through several different iterations, I am very interested in being a part of the implementation of this next phase of the Planning Council.
