Meeting Minutes
12/12/2014

ATTENDEES:

Shannon Stewart welcomed attendees to the meeting. All attendees introduced themselves. The agenda and minutes were reviewed and approved by consensus.

Ellen provided background on how we arrived at the conclusion that it was time to loop back with the Planning Council to report on our work thus far in 2013/2014 and share our thoughts for the goals and objectives for 2015.

Shannon Stewart took the group through a review of the handout being proposed for distribution as part of that Planning Council presentation. A number of additions were made:

- Public relations strategy
- Employer community strategy
- Discussing skilling programs and educational opportunities and incorporating them

Edits were made directly into the document.

The Planning Council presentation was discussed. Ellen will provide the overview. Connie Bacon will do the Vision and Shannon and Nancy will do the Objectives and Work Plan. Ellen will start a PowerPoint and send it to Connie who will send it to Shannon.

Charter Implementation was discussed. At our January meeting the committee will need to draft its scope and powers and will need to strategize its composition and identify formal service provider representatives. A number of potential new members were discussed, including DOL and the Funders Alliance.

Announcements were shared.

The meeting adjourned at 11:25am. The next meeting date is January 16th, 2015.
